

SAFER2028 Q&A

SUVI KARVONEN 9.6.2022

SAFER FAQ (1)

- How much funding can I receive from VYR?
 - Up to 70 % of all costs for research organisations -> 30 % of own funding required
 - No maximum upper limit but be realistic

- What is required to get an Excellence status for my project?
 - Well developed and mature research concept
 - High quality proposal, clear research plan and budget for multiple years

- Can I have funding from DENSE while working at a non-university research organisation (VTT, GTK, FIM,...)?
 - For salary, probably not – to be confirmed
 - For networking, mobility and other information sharing activities – probably yes

SAFER FAQ (2)

- Which is more important, training of experts, high scientific level or aiming at commercial activities?
 - No one answer – depends on case
- Are coordinated projects still in existence?
 - Yes, although the details can change
- When is the Call?
 - Likely 12.8.-7.10. but the dates are to be confirmed by the new management group in June
- How can I follow what's happening?
 - The website safer2028.fi will have all the information
